

Settled in the Gatineau Hills of Quebec, Aylwin Pastoral Charge is a two-point charge (Low UC in Low and Trinity UC in Kazabazua) located about 85 km from the Nation's Capital. The members are very committed to providing a strong pastoral presence in the community, inspired by their faith and sense of what it is to do justice, to love kindness, to walk humbly with God and God's people. They do not expect the minister to do these things alone - the Aylwin Pastoral Charge is about shared ministry. This is a 70% part-time position for ordained or diaconal ministers, but the congregation is also open to other possibilities including being a learning site. Sunday worship services are held three Sundays per month with the fourth being "sleep-in Sunday". A manse is provided in Kazabazua. To apply for the position, please provide a cover letter, a brief (maximum ½ page) personal Statement of Faith, an up-to-date résumé, copies of certificates confirming completion of Racial Justice and Boundaries workshops, and a current (dated within the past six months) Police Records Check–Vulnerable Sector to : vacancy4moconference@gmail.com
