

Barrhaven United Church, a single urban congregation of approximately 280, is searching for a full time minister after staff retirement. Located in the south of Ottawa, Barrhaven is a mixture of established middle class homes, new homes and commercial development.

Barrhaven United seeks a dynamic person to lead worship, administer sacraments, care for the pastorate and reach out to this growing community with the help of Lay staff and volunteers. Although this position appears challenging at first sight, it may be the rewarding position you are looking for - one that you can grow into along with the BUC community. Please send us your CV, a statement of faith, and a cover letter that includes your vision of how you would serve BUC's needs, based on the information outlined in the JNAC Summary Report and Profile 1 documents.

Check <http://www.barrhavenunited.org/> for the documents or contact [barrhavensearch@gmail.com](mailto:barrhavensearch@gmail.com). Closing date is January 25, 2017.
