

Eglise Unie de la Grace United Church

Full Time Ministry Position

We are excited about our new Pastoral Charge (Église Unie de la Grâce United Church), nestled in the Gatineau Hills in the Province of Quebec, just outside of Ottawa. You can enjoy ecotourism at its best as you explore the Gatineau Park and many other wildlife reserves. Our region also has 600 kms of bike pathways and many other outside sport activities available. Lots of things to do (art & cultural events, community or social justice activities, etc.) or to discover.

We are welcoming and we value worship and tradition, while looking beyond. From five different churches, both rural and urban, our new blended model respects and incorporates the best of each one. Our new full-time Minister will be tasked to guide us through the implementation process and create a stable foundation from which this newly unified Faith Community can grow.

We are seeking an energetic minister with strong preaching and interpersonal skills who is eager to lead us into a future of change. This spiritual leader will stimulate us in worship and bring alternative worship experiences, be compassionate in pastoral care, as well as encouraging the participation of youth and families while also maintaining the spirit of our older members. Our new minister will need to advance the ministry with creativity to draw new people to join in the life and work of our church and to inspire us with outreach activities in our communities. We are looking for someone who is passionate about creating, promoting and leading Christian Development programs for all ages. The candidate will have to be a team player willing to work with the different committees and council to ensure completion of this integration phase.

This position begins on or before **July 1st, 2017**.
